

**BOARD FOR ARCHITECTS, PROFESSIONAL ENGINEERS, LAND SURVEYORS,
CERTIFIED INTERIOR DESIGNERS AND LANDSCAPE ARCHITECTS**

Professional Engineer Information Sheet

All applicants must meet the current eligibility requirements at the time the completed application package is received at the Board office. Completed application packages must include all required documentation, references, verifications, and fees. All forms must be legible. It is the applicant's responsibility to ensure the Virginia Board receives the completed package prior to the established deadline. Submission of applications just prior to the deadline date may result in late notification of eligibility to sit for the scheduled examination. Review of incomplete applications and applications received after the examination application deadline will be deferred to the next examination cycle.

EXAMINATION ON BOARD REGULATIONS & STATUTES

Applicants for licensure or certification are required to read and understand the *Board for Architects, Professional Engineers, Land Surveyors, Certified Interior Designers and Landscape Architects Regulations* prior to applying for licensure or certification. Pursuant to Regulation 18VAC10-20-85, all applicants for licensure or certification must achieve a passing score on a Board-supplied examination pertaining to the Board's regulations and relevant statutes. After your application is received in the Board office, you will be sent an examination, which you are required to complete and return to the Board office for scoring; you will be notified if you do not achieve a passing score on this examination.

REQUIRED DOCUMENTATION

Examination Applicants (*including candidates that were previously approved and are reapplying for the examination*)

- ➔ a completed *Professional Engineer License Application* and fee;
- ➔ three current *Professional Engineer Reference Forms* (less than one year old) completed by licensed professional engineers (in a state, territory or possession of the United States or the District of Columbia) that have known the applicant for at least one year;
- ➔ completed *Experience Verification Forms* to document all required experience;
- ➔ completed *Degree Verification Forms* if applying under 12.A., 13.A. or 13.B. on the *Professional Engineer License Application*; *Degree Verification Forms* and official transcripts if applying under 12.B. or 12.C. on the *Professional Engineer License Application*; or official school transcripts if applying under 12.D. on the *Professional Engineer License Application*;
- ➔ a completed *Verification of Examination and Licensure Form* to verify a passing grade on the Fundamentals of Engineering Examination (not required if the FE Examination was passed in Virginia); and
- ➔ if you are approved for the examination, you will receive an *Examination Scheduling Form*. The completed form and fee must be mailed to and received by the examination vendor by the established deadline.

Comity Applicants with a NCEES Council Record (for those who have been licensed in another state, the District of Columbia, or any territory or possession of the United States)

- ➔ a completed *Professional Engineer License Application* and fee;
 - ➔ three current *Professional Engineer Reference Forms* (less than one year old) completed by licensed professional engineers (in a state, territory, or possession of the United States or the District of Columbia) that have known the applicant for at least one year; and
 - ➔ a NCEES Council Record (submitted directly to the Virginia Board) *
- * Possession of a NCEES Council Record DOES NOT guarantee licensure.

Comity Applicants without a NCEES Council Record (for those who have been licensed in another state, the District of Columbia, or any territory or possession of the United States)

- ➔ a completed *Professional Engineer License Application* and fee;
- ➔ three current *Professional Engineer Reference Forms* (less than one year old) completed by licensed professional engineers (in a state, territory, or possession of the United States or the District of Columbia) that have known the applicant for at least one year;
- ➔ completed *Experience Verification Forms* to document all required experience; (*continue on next page*)

- ➔ completed *Degree Verification Form*; and
- ➔ a completed *Verification of Examination and Licensure Form* to verify a passing grade on the Fundamentals of Engineering and Principles and Practice of Engineering Examinations (verification of the Fundamentals of Engineering Examination is not required if the FE Examination was passed in Virginia).

Reinstatement Applicants (for those whose license expired 5 or more years ago)

- ➔ a completed *Professional Engineer License Application* and reinstatement fee;
- ➔ three current *Professional Engineer Reference Forms* (less than one year old) completed by licensed professional engineers (in a state, territory, or possession of the United States or the District of Columbia) that have known the applicant for at least one year;
- ➔ a NCEES Council Record (submitted directly to the Virginia Board) OR completed *Experience Verification Forms* to document experience from the date of expiration of the license to the present. *Any experience verified on forms other than those provided by the Department of Professional and Occupational Regulation will not be considered. Resumes and attachments are not acceptable. No credit is allowed for non-verified experience.*

EDUCATION

- ➔ All applicants must forward one copy of the *Degree Verification Form* to each college or university from which they received degrees (unless official school transcripts are required).
- ➔ Applicants who hold a graduate level degree must submit verification of their baccalaureate degree, in addition to verification of their graduate degree(s).
- ➔ Applicants who do not have a four year (or more) degree in an approved engineering or a related science curriculum will be considered under regulation 18VAC10-20-210.3 or 18VAC10-20-210.4 and the application must be accompanied by official school transcripts.
- ➔ Applicants applying with a degree in fields other than engineering or a related science, or with no degree, must obtain (from the Board's website or office) the *Course Requirements for Engineering Technology Program* form, complete the form, and submit it with their application. This must be accompanied by original school transcripts.
- ➔ Individuals holding a Masters or Ph.D. from a college or university in a curriculum that is ABET accredited at the undergraduate or graduate level should also submit a *Degree Verification Form*. One year of experience credit may be granted with the verification of that degree.
- ➔ Applicants who have earned a degree from an institution outside the United States must have their degree authenticated and evaluated by an education evaluation service if credit is sought for this education unless the applicant also earned an equivalent or higher-level engineering degree from a United States institution where the program has been accredited by ABET.
- ➔ The Board reserves the right to reject an evaluation submitted by an applicant. **AN EVALUATION DOES NOT CONSTITUTE ABET ACCREDITATION.**

EXPERIENCE

All experience must be documented on *Experience Verification Forms*. Any experience verified on forms other than those provided by the Department of Professional and Occupational Regulation will not be considered. Resumes and attachments are not acceptable. Please refer to 18VAC10-20-160 and 18VAC10-20-240 of the Board Regulations for definitions of qualifying (professional) and non-qualifying (sub-professional) experience. No credit is allowed for non-verified experience.

TOEFLiBT (formerly known as TOEFL & TSE)

Applicants for licensure must be able to speak and write English to the satisfaction of the Board. Applicants from a non-English speaking country or a country where the primary language is not English, who have not graduated from a college or university in which English is the language of instruction, shall submit to the Board a TOEFLiBT (Test of English as a Foreign Language) score report that reflects a score acceptable to the Board. Score reports shall not be over two years old at the time of application.
